

AREA INTERESSATA
DAL DIVIETO

This is an aerial photograph of a coastal region. On the left, the dark blue sea meets a sandy beach. A yellow-outlined polygon highlights a specific area in the shallow water, labeled 'AREA INTERESSATA DAL DIVIETO'. To the right of the beach is a residential neighborhood with many houses featuring red-tiled roofs. Further inland, there are several green sports fields, including a large baseball field and several tennis courts. A major road runs vertically through the center-right of the image, separating the residential area from the sports facilities.
